Hi there,

I just received Janet's comments on the FIP. She has comments on only 15 pages (of the 133 in the document). The note on the top of the document says "Region 8 – Good job on this! I noted just a few things in the preamble." Looking through these comments quickly, I think they will be fairly easy to address, most are language edits. I am attaching her comments in case you are interested. We will work on addressing these edits and then moving the document to OP. Let me know if you have any questions.

Thanks,

Dee
